

Please do not give LPFM priority over the FM translator service because I listen K-LOVE and it serves me as a resident of the local community. I only listen to this translator service, and it would be a great injustice to force K-LOVE off the airways in my community. If K-LOVE were displaced by an LPFM broadcaster providing other programming, I would no longer listen to radio and I would therefore increase how much I listen to CDs. The community in which I live has been encouraged by K-LOVE and it would do a disservice to take away what has positively encouraged my community to come together. K-LOVE is doing a tremendous service to public interest by promoting music that is uplifting, providing a voice that calms the storms, and allowing people of all ages to share in family-friendly programming. K-LOVE has impacted thousands of lives in my community with its wholesome values, and I would consider it a tragic loss to allow LPFM to dominate the airways. Please re-consider allowing LPFM to take priority over FM translator service.
